

ASIAN Asian Compressor

#TrueWorth

ISO9001

India's Leading Screw Air Compressor Manufacturing Brand

Profile

- **Brand:** Asian Compressors
- **Location:** Pune & Satara, Maharashtra at Om sai Group Company
- **Products:** Screw Air Compressor, Vertical Air Receiver, Refrigeration Dryer Line Filters & Auto Drain Valve
- **Infrastructure:** Furnished with ultra modern Machines & Equipments
- **Presence:** All Over India

CORE VALUES

To provide quality air compressor and better services to the customer.

Fulfillment air need for industry with minimum cost

MISSION

To optimize performance enhance productivity &

drive innovation, ensuring the success & growth of business across the globe

VISION

Our vision at Asian Compressor is to foster collaborative growth with our stakeholders, employees & clients alike, as we work towards achieving greater heights in the compressor industry

Industries We Deliver

Textile

Agriculture

Pneumatic

Painting

Packaging

Mining

Foundry

Automobile and etc.

**We provide
the Magic Behind
Manufacturing**

Most Reliable and Quality based
Compressed Air Solution For Industries
